

# KV student wins state-level competition

TIMES NEWS NETWORK

**Prayagraj:** A class 12 student of Kendriya Vidyalaya (KV) Air Force Station Manauri **Hemant Kumar** has bagged first position at the state level 50th Jawaharlal Nehru national science, mathematics and environment exhibition competition organised by Kendriya Vidyalaya Sangathan.

The competition was held at Kendriya Vidyalaya IIT Kan-

pur from July 11 to 13. About 244 students from 25 regions participated in the competition that is held with the objective to identify and nurture the inventive and creative skills among the students along with popularising science. Hemant Kumar was awarded for his model titled 'accident preventer cum electrici-

ty producer'. He presented his model on the sub-topic, historic development with the current innovation. Hemant ensured his place in the national level competition to be held by KVS in November at New Delhi.

He won the top spot under the guidance of teacher Pradeep Kumar. Principal Shalini Dikshit congratulated Hemant and said students like him make KV Manauri as well as the society feel proud.
